As a part of my trip in vending my [REDACTED]  
the IGU my wife and I are going to be in [REDACTED]  
23rd, 24th and 25th. We plan to arrive by car the evening of  
July 22nd.

I would surely appreciate it if you would be so kind as  
to get me a hotel reservation either downtown or elsewhere.  
Something modest, without bath, would be more than acceptable.  
Since we are touring on our own funds I'm not interested in  
anything fancy.

It will be pleasant to see you again. I shall try to  
get in touch with you at the Embassy while we are there.

If it is at all possible to make the hotel reservations  
I would appreciate being informed of the details before my  
departure on June 30. Thank you very much for your effort  
on our behalf.

[REDACTED] and the rest of the outfit send our regards  
and best wishes.

Sincerely yours,
